About Germany

Germany is one of the major political and economic powers of the European continent and a historic leader in many theoretical and technical fields. Germany consists of 16 states, and Berlin is the capital and largest city of Germany, with 81.8 million inhabitants. It is the most populous member state in the European Union. It is a major industrial nation and has one of the world's largest economies. Germany offers excellent facilities to its

Germany Immigration

In a recent survey of 27 countries conducted by the BBC World Service, Germany was once again voted as the world's most popular place. Germany offers excellent facilities to its citizens and an unparalleled life style. Many overseas skilled individuals prefer to make Germany as their home because of the excellent facilities it offers.

- ▶ Germany has been one of the most popular immigration destinations in the world
- ▶ 11 million people currently living in Germany were actually born overseas
- ▶ One in five individuals in Germany has a migrant background

Germany Jobseeker Visa

Germany Jobseeker Visa is an initiative by the Federal Government to encourage qualified professionals living overseas to seek jobs in Germany. From 1 August 2012, graduates with a German or other recognized university degree or a foreign degree comparable to a German degree will be eligible to enter Germany to seek employment. Holders of a jobseeker's visa may stay in Germany up to six months to seek employment. To obtain a jobseeker's visa, applicants must furnish proof of their university degree and prove that they can support themselves for the planned duration of their stay.

Overview - Germany Jobseeker Visa

- ▶ Long-term Residence Permit allows you to stay in Germany & search for a job, visa is issued for a period of 6 months
- ▶ This visa does not permit the visa holder to work till it is converted to a residence permit for employment
- ▶ Visa holder is eligible to look out for jobs & attend interviews with any employers
- ▶ Securing employment visa becomes easy after you obtain a jobseeker visa
- ▶ Once a job is granted, applicant can apply for residence permit

Eligibility Criteria

Education

- ▶ A recognized qualification from German Universities or foreign degrees equivalent to a German Degree

Sufficient funds and accommodation

- ▶ Hold sufficient funds and arrange accommodation for the intended period of stay in Germany (6 months)
- ▶ Hold a valid travel and medical insurance

Employment

- ▶ Adequate years of experience in the nominated occupation list can help you to find a job in Germany, though this is not a mandatory requirement

Motivation

- ▶ Should have planned course of action to secure employment in Germany and understanding of employment and career prospects in Germany

Why Choose Germany?

- ▶ Germany has one of the lowest rates of youth unemployment in the world
- ▶ It is a land of invention and innovation
- ▶ It is a major industrial nation and one of the world's largest economies
- ▶ Three German cities are on the list of "the world's ten most livable cities" [Duesseldorf, Munich and Frankfurt]
- ▶ Approximately 5,000 jobs for physicians in German hospitals remain unfilled due to the lack of skilled workers
- ▶ There are unfilled positions for engineers in Germany, due to shortage of engineers
- ▶ Germany offers excellent healthcare facilities to all its citizens
- ▶ You are insured against risks such as illness and long-term care needs - when you have a job in Germany
- ▶ Nearly half of all products manufactured by German companies find their way to consumers living in other countries, making Germany as one of the world's top exporter
- ▶ German companies are highly competitive and they are always on the look out for skilled employees
- ▶ Severe shortage of skilled workers in many sectors and professions across Germany
