MoreVisas Resume Advertising Services are there to help applicants  
who are aspiring to find International jobs overseas.

## Social Media Edge

Our quality applicant service is custom built for you - Professional who does not have the time to search for International jobs, or the information and the contacts to search and apply for overseas jobs. MoreVisas is the right consultant for you, we take care all of your job hunting woes. We guide you to use the right channels to market your resumes, we use social media platforms including Twitter and LinkedIn for networking and make the right moves, which are beneficial to your career.

## Resume Advertising

MoreVisas Resume Advertising Services is there to help those applicants who are aspiring to find jobs overseas and as they don't have the time, the resources and information for doing it. Our Resume marketing programs are designed keeping in mind the international jobseekers. We fight against odds to secure them their dream job.

One of the biggest barriers is the expensive costs of searching a overseas job. First you have to travel to the country, and meet the recruiters who may be able to schedule an interview with the employers, they represent. Job hunting in an overseas country is costly affair and could drain all the cash reserves you have.

## Leave your Overseas Job Hunting Worries to MoreVisas...

MoreVisas provides excellent Resume Advertising Services. We help the applicants to use the right channels to enhance their resume. We have potential experience in working with leaders. We are professional service providers dedicated to provide excellent resume writing services. We offer achievement oriented resume advertising service which you and your target employers require.

We begin our process with an initial consultation to identify your goals. We then set targets and strategy to outlining additional collateral for a specific job search. We generate information directly from the clients and then we write, edit, design and publish the resume. We collaborate directly with you throughout the proofing cycle to ensure accuracy.

At MoreVisas, we understand your time constraints. We have been providing our services to thousands of clients in global corporations. We have dedicated resume writers to ensure that you receive the highest service and quality of executive resume for a global or domestic job search. You can be in contact with our writer throughout the process and ensure the highest level of success through understanding your career goals, accomplishments and obstacles.

The main function of MoreVisas is to market your resume to the employers, therefore, do not underestimate the importance of the initial impression of your resume. The employer will scrutinize your resume only for 20-30 seconds. We ensure that your resume will be able to "sell" you at a glance. Initially when you provide your resume to us, it looks uncluttered. Generally the information about your work experience and educational is not clear. We present you resume very clearly so that your resume impresses the employers at one glance.

It is important to have a significant work experience or else your resume will be only of one page. With our resume advertising service, we prepare your resume in such a way that it has various sections, which include a section for work experience, education and volunteer experience. It even includes a section for personal items of your interest to the employer like language skills. Generally the education section of the resume is listed first later it is contained by work experience and then, by personal interests.

The development of the resume is complex which includes creating strategy, information gathering, writing and editing. MoreVisas simplifies the process for you and minimizes your time required for the process. We maximize the results of the resume.

### MoreVisas Expert Guidance

At MoreVisas, we have developed a tried and tested method of searching overseas jobs.

First we study your profile, strategize the best career path and then develop an international resume that showcases your strengths as a true professional.

Post completion of this exercise, we plan our next move. Then next thing to do would be to apply to all the current job openings. At the same time, we begin advertising your resume using various Social Networking tools including LinkedIn & Twitter.

When you receive a response from an employer, you will need to coordinate directly with the employer and take it forward.

Once you have secured your job, we will assist you with Visa Processing Services. Our services are especially catered for professionals who are:
